

DOCIDOH Webex Conference – Participant Guidelines & Tips

Welcome

Welcome to the 4th Debrecen Online Conference on Infectious Diseases in a One Health context (DOCIDOH)!

To ensure a smooth and productive experience for all, please read the following rules and useful tips for attending the conference via Webex.

Before the Conference

- Install Webex in advance: <https://www.webex.com/downloads.html>

You can also join through your browser (Chrome recommended).

- Test your setup: Check your internet connection, microphone, speakers/headphones, and webcam.

- Join early: Please join the meeting 10 minutes before the scheduled start.

Joining the Conference

- Use the official meeting link, number, and password sent for each day.

- When joining, please enter your full name and institutional affiliation.

During the Sessions

- Keep your microphone muted when not speaking.

- Use headphones to reduce background noise and echo.

- If you have a question:

- Use the 'Raise Hand' feature, or

- Write it in the chat box (to the host or to everyone).

Q&A and Discussion

- During Q&A sessions, the moderator will invite questions.

- Please introduce yourself briefly and keep your question short and relevant.

Recording and Screenshots

- Please do not record or take screenshots of any presentation unless the speaker has given explicit permission.

Need Help?

- If you run into technical issues:
 - Try leaving and rejoining the session first.
 - Contact the technical support team listed in the program or email the organizers at docidohinfo@etk.unideb.hu.

Thank you for following these guidelines. We look forward to a successful and engaging conference!
