

Privacy Policy

Data management plan for the participants of the „FOOD SAFETY AND HEALTHY LIVING - International Summer School” organised by the One Health Institute, Faculty of Health Sciences, University of Debrecen.

The One Health Institute, Faculty of Health Sciences, University of Debrecen, is organising an international event entitled „**FOOD SAFETY AND HEALTHY LIVING - International Summer School**” between 27 July –2 August 2026 (hereinafter: the Event).

Location of the Event: University of Debrecen Kassai street Campus

The event offers BSc, MSc, and PhD students an interdisciplinary exploration of the world of safe, sustainable, and resilient food chains through a One Health approach. Students can look forward to lectures, case studies, field visits, and roundtable discussions, where they will have the opportunity to learn about the following topics:

- Food safety and foodborne illnesses
- Water, sanitation, and health
- Animal-derived products (livestock)
- Reducing food waste and utilizing byproducts
- One Health challenges in the food chain

The **One Health Institute of the Health Sciences at the University of Debrecen**

(Data Controller) pays special attention to the protection of personal data and always ensures fair and transparent data processing, the basic requirement of which is to provide adequate information on data processing.

In accordance with the legal provisions governing the protection of personal data, in particular the GDPR, the Data Controller provides the following information in relation to the organization and implementation of the event:

Legislation applicable to data management

The following legal provisions apply to the data management of the **One Health Institute, Faculty of Health Sciences, University of Debrecen**:

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free flow of such data, as well as on the repeal of Regulation 95/46/EC (the hereinafter: GDPR),
- Act CXII of 2011 on the right to information, self-determination, and freedom of information.

Data processing activities carried out by the Data Controller

1. Data Processing Related to Registration for the Event

- 1.1. Purpose of data processing:** Interested parties can register for the Conference at <https://e-konferencia.unideb.hu/en/fshl-2026>.
- 1.2. Scope of data processed:** First name, Last name, Academic background—Faculty, Major, Year of study, whether attending on a scholarship or not, and whether a student at the University of Debrecen or not.
- 1.3. Legal basis for data processing:** consent [Article 6(1)(a) and Article 9(2)(a) of the GDPR].
- 1.4. Duration of data processing:** Until consent is withdrawn, but no later than the end of the Conference.

2. Data Processing Related to Submitted Abstracts

- 2.1. Purpose of data processing:** With the author's approval, the abstracts submitted by presenters via email will be used to prepare oral presentations or poster presentations, as well as an abstract book in PDF format, which will be available for participants to download. Abstracts may be submitted via email to kadar.szeocs.dora@etk.unideb.hu.
- 2.2. Scope of processed data:** the authors' names, abstract title, authors' institution, institution address (postal code, city, country), abstract content, whether a presentation was given, whether a poster was submitted, submission of a printed poster, and the forum where the presentation was given.
- 2.3. Legal basis for data processing:** consent [Article 6(1)(a) of the GDPR].
- 2.4. Duration of data processing:** Until the publications are archived.

3. Recording attendance at the Conference via an attendance sheet

- 3.1. Purpose of data processing:** To document the participation of registered attendees at the Conference.
- 3.2. Scope of data processed:** name, Neptun code, signature.
- 3.3. Legal basis for data processing:** Data processing is necessary for the performance of a task carried out in the public interest [GDPR Article 6(1)(e)]
- 3.4. Duration of data processing:** In accordance with the Records Management Policy.

4. Provision of lanyards to Conference attendees

4.1. **Purpose of data processing:** Identification of Conference participants.

4.2. **Scope of data processed:** name, organization, country

4.3. **Legal basis for data processing:** necessary for the performance of a task carried out in the public interest [GDPR Article 6(1)(e)]

4.4. **Duration of data processing:** Until the end of the Conference.

5. Data Processing Related to the Organization of the Side Events

5.1. **Purpose of data processing:** The organizers provide Conference participants with the opportunity to participate in side events upon request.

5.2. **Scope of data processed:** name, Neptun code, indication of participation request.

5.3. **Legal basis for data processing:** consent of the data subject [GDPR Article 6(1)(a)].

5.4. **Duration of data processing:** Until the end of the Conference.

6. Taking photos/videos at mass events, editing them for publication, posting them on websites, social media and video sharing sites, and using them in PR materials

6.1. **Purpose of data management:** The Event – as an event related to the operation of the One Health Institute Faculty of Health Sciences at the University of Debrecen and university life – shall be documented and publishing it together with accurate and reliable information about these events in written press releases on the website www.unideb.hu, on the official social media pages (Facebook, Instagram, TikTok) of the One Health Institute, Faculty of Health Sciences at the University of Debrecen, and on its YouTube channel.

6.2. **Handled data scope:** photo and video recording

6.3. **The data handling legal basis:** legitimate interest [GDPR Article 6(1)(f)]

6.4. **Duration of data management:** After the recordings have been used, until archiving.

6.5. **Data transfer:** To the DE Ildikó M. Tóth Press Center, which forwards the press release to the media outlets that requested it, with attribution.

7. Taking unique photos/videos, editing them for publication, publishing them on websites and social media and video sharing sites, using them in PR materials

7.1. **Purpose of data management:** The Event – as an event related to the operation of the One Health Institute Faculty of Health Sciences at the University of Debrecen and university life – shall be documented and publishing it together with accurate and reliable information about these events in written press releases on the website www.unideb.hu, on the official social media pages (Facebook, Instagram, TikTok) of the One Health Institute, Faculty of Health Sciences at the University of Debrecen, and on its YouTube channel.

7.2. **Handled data scope:** photo and video recording

7.3. **The data handling legal basis:** legitimate interest [GDPR Article 6(1)(f)]

7.4. **Duration of data management:** After the recordings have been used, until archiving.

7.5. **Data transfer:** To the DE Ildikó M. Tóth Press Center, which forwards the press release to the media outlets that requested it, with attribution.

8. Data processing related to certificates of participation in the Event

8.1. **Purpose of data processing:** to issue certificates of attendance to Event participants upon request. Students of the University of Debrecen who register for the event and meet the requirements may enroll in the elective course starting in the fall semester (September 2026) in the Neptun system, which is based on this event. Students who present the certificate issued at the event will be credited for the course.

8.2. **Scope of processed data:** name, date of birth, family name, and given name; the title of the event; the event organizer; the event venue; and the fact of participation.

8.3. **Legal basis for data processing:** data processing is necessary for the performance of a task carried out in the public interest [GDPR Article 6(1)(e)]

8.4. **Duration of data processing:** from the issuance of the certificate until its use during the fall semester of 2026

9. Camera surveillance at the event venue

A camera surveillance system operates at the Event venue, information about which is available at: <https://kancellaria.unideb.hu/kancellari-kozlemenyek-utasitasok>.

Access to data

Only employees of the One Health Institute of the Faculty of Health Sciences at the University of Debrecen, who are bound by confidentiality obligations, have access to participants' personal data.

Data security measures

The **Data Controller** undertakes to ensure the security of the data, to take the technical measures necessary to ensure that the data recorded, stored and processed are protected, and to do everything in its power to prevent their destruction, unauthorized use and unauthorized alteration. It also undertakes to require any third parties to whom it may transfer or disclose the data to comply with its obligations in this regard. In electronic form, storage takes place on the official, password protected computers of persons authorized to access the data.

Rights of data subjects and rules governing the exercise of those rights

Right to information: In accordance with Article 15(1) of the GDPR, the data subject may request information about the personal data processed by the **Data Controller**.

Right to request a copy: Pursuant to Article 15(3)-(4) of the GDPR, the data subject may request a copy of the personal data processed by the **Data Controller**.

Right to rectification: In accordance with Article 16 of the GDPR, we will modify and clarify your personal data in accordance with your request.

Right to restriction: The data subject may request restriction of data processing in the following cases :

- if you dispute the accuracy of your personal data, we will restrict the processing of your data until the **Data Controller** verifies the accuracy of your personal data;
- the processing is unlawful and you oppose the erasure of your data and request the restriction of its use instead;
- the **Data Controller** no longer needs the personal data, but the data subject requires them for the establishment, exercise, or defense of legal claims; or - if you exercise your right to object, we will restrict the processing for the period during which we examine the lawfulness of your request.

Right to object: The data subject shall have the right to object, on grounds relating to his or her particular situation, at any time to processing of personal data concerning him or her based on Article 6(1)(e) or (f).

In this case, the **Data Controller** may no longer process the personal data unless it can demonstrate compelling legitimate grounds for the processing which override the interests, rights and freedoms of the data subject or for the establishment, exercise or defense of legal claims.

Right to erasure: In the cases specified in Article 17 of the GDPR, the data subject may request that we erase their personal data.

Legal remedies

If, in the opinion of the data subject, the **data controller's** data processing does not comply with the legal requirements, the data subject may initiate proceedings before the National Authority for Data Protection and Freedom of Information (Postal address: 1363 Budapest, Pf.: 9., e-mail address: ugyfelszolgalat@naih.hu) or may turn to the courts.

Debrecen, June 15, 2026.
